Re: Petition of Senator Dinniman for Interim Emergency Relief; Docket No. P-2018-3001453; Senator Dinniman v. Sunoco Pipeline L.P.; Docket No. C-2018-3001451

Dear Secretary Chiavetta:

I am writing to you in support of the Commission's May 3<sup>rd</sup> unanimous decision allowing Mariner East 1 to return to service at the recommendation of the Bureau of Investigation and Enforcement. Representatives of Sunoco Pipeline have communicated with our community and worked to address issues in a timely and reasonable manner.

We had the Susquehanna River horizontal directional drill, which was more than a mile long, located in Highspire Borough and although not without challenges, we were pleased in how the work was executed and completed.

With this being said, we are hopeful that the project will resume so that construction can be completed and the right-of-way be restored.

Sincerely,

John McHale  
Borough Manager
